on the CASE PAPER

Large Format Sheeter

Long grain, heavy stock, dry rubbed? However you like your paper, our newly installed wide format sheeter is an all you can *sheet* buffet of paper possibility. Capable of sheeting large format sizes in addition to our already substantial product portfolio, literally nothing is off the menu (including menus)!

Sharing Size

- Max sheet length is 126"
- Min sheet length is 15"
- Max roll width is 65"
- Up to 48pt thickness and as low as 8pt thickness.

Artisanal Flat*beds*

Experience excellent print results on industrial flatbed and hybrid inkjet presses using UV cured inks.

All the. . .Trimmings

Provides an array of end use applications from POP displays to indoor store signage, banners, top sheet applications and fiber-based solutions to target sustainable goals.

Rare Cuts

- Capable of sheeting C1S & C2S (coated one side and coated both sides) in up to 48pt thickness and as low as 8pt thickness.
- Plan to stock and distribute for quick turns (can accommodate custom orders).
- Stock quantities: 250 sheets per skid and 500 sheets per bundle.

Palate Cleanser

- Four-way entry: the front, back and sides of skids have openings that can get pallets through.
- Stocked in our Osgood, IN facility (specific sizes) to enable quick shipping on Case trucks.
- Features a diverse product portfolio.
    - We can now laminate to your desired thickness! For example: we can laminate two 15pt boards together to be 30pt.
    - With lamination and sheeting brought under one roof, we can sheet to exact sizes.
    - New ability to sheet laminates in wide format sizes.
    - Custom orders are sheeted in our Case Makes Platform (100 sheet minimum order quantity).
